

# PHASE 2 UPDATE

## YEAR 2 NEWS

Year two have been reading 'Where the Wild Things Are' as part of their L.O.L learning this week.

The children have really enjoyed the book and have been generating lots of exciting adjectives to describe their own Wild Thing. Well done to Bethan (Rome class), who has WOWed us all with her character description of her Wild Thing. We are very proud of your writing, keep it up!

### Christmas 2019

There are lots of fantastic events taking place in the lead up to Christmas including the Christmas fayre, Christmas Jumper day, Autumn Celebration and an in school election where the children and staff will be voting for a year 6 child to be head teacher for the day.

Year 2 and 3 will be contributing cakes for the cake stall at the Christmas Fayre, so please get baking (and buying!) so that we can sell lots of delicious cakes.

Furthermore, our school choir will be out and about next week visiting different locations. We wish them the very best of luck.

Wednesday 3rd December 2019 2019  
Character description  
The Wild Thing is fearless, helpful because she always cares for the forest and helps the people. Her helpful she is.  
She has delicate, fragile paws. When she strolls through the forest her paws get all dirty and muddy. They are as disgusting as mud.  
Her ears are like knives they are so sharp however they are flat. They are like very rainbow ears, which are very floppy and very special.  
e. She has cold freezing dangerous ice power which protects her from danger wars and battles. The ice power is as dangerous as lava. Her ice power is transparent, cold freezing and dangerous.

Her colorful, Stripy, rainbow wings help her fly over the spectacular, interesting land. They are like rose egals flying over Australia. How colorful they are!  
She has a long, wavy tail which is as long as a giraffe's neck. How long it is!  
Her long, wavy, Stripy tail helps her to catch food and hunt.

Good luck to Year 2 as they embark on their **Christmas reading Challenge** this Christmas Holidays! Don't forget to start getting your sponsorships ready before you start so that you can raise as much money as possible for our reading corners in school. Remember, there is a prize for the most pages read and a prize for the most amount of money raised.

#### Key Dates:

Christmas Fayre: 9th December  
Disco Night: 12th December  
Autumn Celebration: 16th December  
Christmas Jumpers and dinner: 17th December  
Last Day: 18th December (12:30 finish)

# PHASE 2 UPDATE

## YEAR 3 NEWS

**L.O.L Writing:** As we near the end of our work on the prehistoric era, we have turned our attention to writing information text scripts for children's TV news programmes. We will write next week our scripts about the Bronze Age discoveries at Must Farm, Whittlesey, before filming them.

**Place and Time:** The Bronze Age is the focus of our Place and Time work as we consider how people of the era lived and defended their communities in hillforts. We have also been looking at how experts today can understand prehistoric eras through the study of artefacts.

**Science:** The food groups, nutrition and the importance of a balanced diet has been the focus of our work in science. *Can you talk to your family at home about balanced diets and identify the different food groups in your meals?*
