

## YEAR 6 NEWS

*Happy Friday Year 6. I would like to introduce myself as your new Assistant Head who will be leading Phase 4 alongside the wonderful Mrs Fogarty-Slack. I am very excited to get to know you all and share in your learning journey moving forwards. It has been a very busy last few weeks full of learning and I have been impressed with your positive attitudes and focus in lessons. Keep up the hard work as you know the work you put in now is going to pay off in the future. Mrs Rumbles*

In our writing lessons, we have just begun our new learning about narrative writing; we are focussing on rewriting traditional tales, from the villain's perspective! We are excited to see how our own versions evolve over the coming weeks but are already enjoying exploring the 'real' version of Little Red Riding Hood.

Within our science lessons, we have been continuing to learn about the circulatory system. This week, we carried out investigations focussing on the impact of exercise on our pulse rates.

Reminder to send WW2 family artefacts to your class teacher before the end of term. These will be used to celebrate the local history of our Hampton Vale communities within our WW2 quad area.

Reminder that Moscow and Canberra have changed their PE days.

Canberra now has PE on Mondays & Tuesdays.  
Moscow now has PE on Wednesdays & Thursdays.

### Key Dates:

Christmas Jumper Day - Friday 11th December 2020

Christmas Video Deadline - Tuesday 15th December

Last Day of Term - Friday 18th December 2020

Bikeability Level 3: 25th, 26th, 27th or 28th January 2021

### Christmas video

Due to the challenging year we have all faced, it would be a shame to not celebrate Christmas with a smile. We are aiming to create our own Christmas video to brighten up the mood.

If you would like to be involved, please take a short video clip of the family in your best Christmas outfits dancing in front of your Christmas tree and send it to: [videos@hvp.org.uk](mailto:videos@hvp.org.uk)

The videos will be put to music and shared before we break up. In order to take part, ensure you have sent your video by Tuesday 15th December 2020.

### Christmas Jumper Day - Friday 11th December

To support vulnerable children in the local area, we will be joining in with Christmas Jumper Day 2020. The children can wear their best Christmas jumpers to school with all donations made through the MCAS app.

We are also supporting local children by collecting food each morning. All donations are gratefully received and will be distributed to help brighten the festive period for those most in need.

### Bikeability

Thank you to those of you who have signed up to do the Level 3 Bikeability course in January. This was only available to children who had completed Level 2 last year and unfortunately is now full.

More information will be sent out before Christmas once we have had clarification on instructors and timings of the days.
