

# PHASE 4 UPDATE

## YEAR 6 NEWS

### Key dates:

- \* Year 6 Peterborough English challenge, Tuesday 26th November
- \* Christmas fayre, Monday 9th December (3:15-4:15pm)

We have had a very busy, but extremely productive, few weeks in Year Six!

Last Monday, we attended the Year 6 cross country running competition at Hampton

College. In a school first, we were crowned overall winners of the competition! Our children were assets to our school: they not only ran their quickest, but also put in 100% effort - in less than desirable weather conditions!

We also were very lucky to be invited to Hampton library for the morning on Wednesday. The children enjoyed learning how the library works and exploring new authors and genres.

### **What the children said...**

*"I really enjoyed learning how to use the library - me and my friends are planning to go back every week!"*

*"I loved getting to try out so many new books, this was really fun!"*
